## **1. Introduction**

- 1.1 This group employee accident cover policy is available to employers in the construction industries to offer as part of their benefits package for their employees.
- 1.2 These Policy Conditions, plus all information provided by the Employer or any relevant Employee to Us, set out the full terms and conditions for Us providing EAC in respect of the Employer's Employees.
- 1.3 We are authorised to carry on insurance business in the United Kingdom and this Policy is issued on the basis that it concerns insurance business carried on in the United Kingdom.
- 1.4 Employers should read these Policy Conditions carefully and keep them, with copies of the monthly Employer Payment Schedules provided to Us, in a safe place for reference in case a claim needs to be made.
- 1.5 The purpose of this Policy is for Us to provide a monetary sum to an Employer's Employee in the event of an accident suffered at work or whilst travelling to or from work causing a Qualifying Injury on the terms set out in these Policy Conditions. The amount of the Benefit varies depending on the severity of the injury.

## **2. Eligibility for Employee Accident Cover (EAC) and premiums**

- 2.1 EAC commences for an Employee if:
  - (a) the Employee is Actively at Work in accordance with Paragraph 2.2;
  - (b) their Employer notifies Us in accordance with Paragraphs 2.4 and 2.5 that the Employee is to receive EAC;
  - (c) their Employer pays the Premium due in respect of the Employee under Paragraph 2.7; and
  - (d) the Employee is Resident in the United Kingdom or the Isle of Man.
- 2.2 EAC is available for each Employee who, on first being notified to Us as an Employee by their Employer pursuant to Paragraphs 2.4 and 2.5, is Actively at Work.
- 2.3 Until the Period of Cover ceases in accordance with Paragraph 3, EAC will continue to be available and Premiums shall continue to be payable under Paragraph 2.7 in respect of an Employee once that Employee is covered under this Policy irrespective of whether that Employee is subsequently absent from work for a length of time, including periods of holiday, short-term sickness absence, long-term sickness absence, temporary absence from work, and other paid or unpaid absences.

2.4 The Employer must provide an Employer Payment Schedule to Us in such form, at such time, and by such method as We may require in each calendar month. The Employer shall be responsible for the accuracy of the Employer Payment Schedules provided to Us. Whilst We will issue a Payment Schedule, completed with Employee information and the expected contributions due based on information previously provided by the Employer, this will be subject to checking and correction or confirmation (as appropriate) by the Employer to form a Payment Schedule for the purposes of this Paragraph 2.4. It is the sole responsibility of the Employer to review each draft Payment Schedule, to amend it as appropriate and to confirm the position in respect of their Employees to Us in each calendar month.

2.5 Each Employer Payment Schedule shall specify:

- (a) the Employees currently employed by the Employer;
- (b) in respect of any Employees who were not named on the previous Employer Payment Schedule, their Employee Category;
- (c) the Employees to be covered by this EAC for the calendar month in respect of which the Employer Payment Schedule is provided.

A new Employee will only be covered with effect from the calendar month in which the Employer updates its Employer Payment Schedule accordingly to include that Employee.

Each Employer Payment Schedule shall therefore include notification of those Employees who commenced or ceased employment with the Employer in the relevant month.

2.6 The Employer is required to provide EAC for at least 95% of all eligible Employees for each Employee Category. The Employer's eligibility conditions, including those for entry age, entry dates and service qualifications, must be the same for each Employee within each Employee Category. If fewer than 95% of an Employer's eligible Employees for any Employee Category are covered by this Policy, We shall not be obliged to pay any Benefit under this Policy.

2.7 The Employer is required to maintain the Period of Cover for each and every month throughout the duration of this Policy. Premiums are due in respect of each calendar month on such payment terms as We agree with the Employer and may, if We so agree, be paid partly in arrears. If an Employee covered by this Policy suffers a Qualifying Injury in a calendar month prior to payment of the Premium due in respect of that calendar month, no Benefit will be payable unless and until the Employer pays the relevant Premium due in respect of that month. Should the Employer fail to comply with the agreed payment terms, We may suspend any Period of Cover until outstanding premiums are paid.

- 2.8 We may alter the amount of the Premium payable for EAC from time to time. Where possible, a change to the Premium amounts will be notified to the Employer at least 3 months in advance of the change.

### **3. Period of Cover**

- 3.1 Subject to Paragraph 2 and this Paragraph 3, the Period of Cover for a particular Employee will commence on and from the start of the calendar month in respect of which the Employer first notifies Us in accordance with Paragraph 2.4 that the Employee is to receive EAC and pays a Premium in respect of that Employee in accordance with Paragraph 2.7.
- 3.2 Once EAC commences in respect of a particular Employee pursuant to Paragraph 3.1, the Period of Cover shall continue in respect of that Employee for such period of time as the Employer pays the full amount of Premiums due in respect of all of its Employees who are covered by this Employee Accident Cover pursuant to Paragraph 2.7, subject to the following provisions of this Paragraph 3.
- 3.3 The Period of Cover will cease for an Employee if their Employer fails to pay the full amount of the Premiums due in respect of all of its Employees who are covered by this EAC in accordance with the applicable payment terms pursuant to Paragraph 2.7. The Period of Cover will cease from the date the unpaid Premium is due and the Period of Cover will not recommence until the Employer has paid in full all unpaid Premiums to Us.
- 3.4 The Period of Cover in respect of a particular Employee of an Employer will cease immediately upon the happening of any of the following events in respect of that Employee:
- (a) the Employee is no longer employed by the Employer;
  - (b) the Employee dies;
  - (c) the Employee is not included in the Employer Payment Schedule provided, pursuant to Paragraph 2. In such a circumstance, the Period of Cover for the Employee will cease from the end of the calendar month in respect of which the Employee was last included in the Employer Payment Schedule and in respect of which the relevant Premium was paid; or
  - (d) the Employee is no longer Resident in the United Kingdom or the Isle of Man.

If an Employee changes employer, any existing cover under this Policy will cease. If the Employee concerned subsequently becomes an employee of another employer in the construction industry which has EAC with Us, their Period of Cover will not recommence in accordance with Paragraph 3.1 until the Employee's new employer satisfies the requirements of Paragraph 2.1.

- 3.5 We may terminate this Policy and so cease to provide EAC for all Employees:
- (a) if the Employer fails to maintain the Period of Cover for consecutive months as required by Paragraph 2.7, on giving written notice to the Employer; or
  - (b) in any other circumstances, on giving not less than 3 months prior written notice to the Employer.
- 3.6 Within the following Paragraphs 4 to 7, for as long as an Employee is covered by this Policy, that Employee will be referred to as a 'Member'.

#### **4. Employee Accident Cover (EAC)**

- 4.1 We agree to pay a Benefit to a Member who suffers a Qualifying Injury which is caused solely and directly by a single Qualifying Accident during the Period of Cover which, in the case of Total Disablement, is caused immediately following the Qualifying Accident and, in the case of any other Qualifying Injury, within 6 months of the date of the Qualifying Accident, on the basis set out in this Paragraph 4, subject to the exclusions set out in Paragraph 5.

- (a) any sickness or disease the Member suffers that doesn't directly result from the Qualifying Accident;
  - (b) an accident where it can be proved that the Qualifying Accident happened as a result of the Member being affected by either alcohol or by drugs which have not been prescribed by a registered medical practitioner;

  - (b) in respect of a claim, the Employer or the relevant Member does not provide reasonable assistance or co-operate with Us.

- 5.3 If a claim for a Benefit is in any way fraudulent or if any fraudulent means or device is used by the Employer or the relevant Member or anyone acting on their behalf or as their legal representative to obtain a Benefit, We will not be liable to pay any Benefit in respect of such a claim.
- 5.4 We will not be liable to pay any Benefit in respect of a claim if the Employer or the relevant Member misrepresents, mis-describes or fails to disclose any material fact to Us.
- 5.5 For the avoidance of doubt, We will not be liable to pay a Benefit in respect of a Qualifying Injury resulting from an accident that doesn't occur during the Period of Cover.

## **6. Making a claim**

- 6.1 If a Qualifying Accident occurs that is likely to cause a claim to be made, the Member (or a person properly acting on the Member's behalf) must provide notice to Us as soon as possible after the date of the Qualifying Accident but, in any event, within one year. Such notice must be made in writing or if We so agree, by telephone (any telephone notice to be confirmed in writing if We so request). Once We have received any such notification, We will send our standard Claim Forms to both the Member and the Member's Employer.
- 6.2 A claim for the payment of a Benefit must be made in the manner We prescribe within one year of the Member giving notice of the Qualifying Accident resulting in any Qualifying Injury. In respect of a claim for a Benefit, We will require particular information from the Member and/or their Employer, including:
- (a) a correctly completed Claim Form signed by the Member (or a person properly acting on the Member's behalf), including correctly completed bank account details for the Member together with the required supporting evidence regarding bank details (as may be specified from time to time in the Claim Form) and a correctly completed Claim Form signed by the Member's Employer;
  - (b) medical evidence of the Qualifying Injury suffered by the Member;
  - (c) such evidence of the Member's identification as We may require, which may include the Member's birth certificate, driving licence or passport; and
  - (d) any other documentation, medical evidence or additional information We decide We need in order to assess the claim.

- 6.3 A claim will only be considered once We receive the information required under Paragraph 6.2. Any Claim Form and supporting information required under Paragraph 6.2 must be provided in writing and sent to Us at the following address:

Address: B & C E Insurance Limited, Manor Royal, Crawley, West Sussex RH10 9QP

- 6.4 The medical evidence of the Qualifying Injury which is required is to be provided by a medical practitioner at the Member's own expense. The relevant Member shall be obliged to allow Us to obtain such medical evidence as We may require, including certificates completed by the Member's medical practitioner, and to provide such information and evidence as We may from time to time reasonably need before We decide whether or not to accept a claim for a Benefit.
- 6.5 A claim may be referred to our medical adviser. We will at our own expense arrange a medical examination for the relevant Member if We, in our absolute discretion, consider it necessary. We will provide the relevant Member with reasonable notice if We wish to arrange a medical examination.
- 6.6 We will consider a claim for a Benefit based on the information provided to Us by the Employer, the relevant Member, that Member's medical practitioner and such other persons as We may in our absolute discretion decide. We will notify the Employer and the relevant Member when We have completed our review of the Claim Form and determined whether or not a Benefit is payable under these Policy Conditions.

## **7. Payment of claims**

- 7.1 Any Benefit payable under this Policy will be paid to the relevant Member who has suffered a Qualifying Injury. If a Benefit payable under this Policy is to be held on trust on behalf of a Member, the Benefit will be payable to that Member's trustee.
- 7.2 Benefits will normally be paid by Bankers' Automated Clearing Services (BACS) into the Member's bank account as stated in the Claim Form, but may be payable another way as We may in our absolute discretion decide.
- 7.3 No Benefit payable under this Policy will carry any interest.
- 7.4 We are entitled to make deductions from any Benefit payable under this Policy to meet any tax, duty, levy or other imposition which may from time to time be imposed by any legislation, order or regulation.

## **8. Obligations of the Employer and Employees**

- 8.1 The Employer must take reasonable care to protect its Employees, and each individual Employee must also take reasonable care to protect themselves against bodily injury or harm. We will not be liable to pay any Benefit in respect of a claim unless such reasonable care has been taken.
- 8.2 The Employer and each relevant Employee will provide all reasonable assistance and co-operate with Us in providing or obtaining any records or information We deem necessary to evaluate a claim for a Benefit.
- 8.3 The Employer must inform Us promptly of the identity of their Employees from time to time and their occupation or employment status by providing an updated Employer Payment Schedule in accordance with Paragraphs 2.4 and 2.5. The Employer must include all of the required information that they are aware of.
- 8.4 The Employer agrees to supply all such evidence, information and access to all its premises, records, employees and agents as We may reasonably require.
- 8.5 The Employer must inform us promptly if any of its Employees cease to be Resident in the United Kingdom or the Isle of Man.

(External circumstances may include matters, whether by reason of any change in law or practice or otherwise, that affect the taxation, regulation or operation of Us or this Policy.) In such circumstances, We shall make such amendments as We reasonably consider appropriate and shall notify the Employer in writing, if possible, of any such amendment;
- (b) by providing notice to the Employer of any amendments which, in our reasonable opinion, do not adversely affect the Employer's or an Employee's rights under this Policy; or
- (c) by providing not less than 3 months' notice to the Employer in writing in respect of any other amendment.
